THINKING ABOUT LIVING OFF CAMPUS?

This handbook is designed to help you make a successful transition into the Fort Collins community. After reading this booklet, you will know what to look for when choosing a place to live and what you need to know when signing a lease. Additionally, you will learn about city codes and ordinances unique to Fort Collins and will be provided with helpful tips on being a good neighbor, managing parties responsibly, and healthy roommate relationships.

1. FIRST STEP

SHOULD I LIVE OFF CAMPUS?

Don’t take this decision lightly. Living off campus has its benefits and challenges. Ask yourself these questions to help make the right decision for you:

- Can I afford to live off campus?
- Do I know what type of housing I want?
- Am I ready to be more independent and take on additional responsibilities?
- Will I be able to manage and pay all the bills?
- Am I willing to spend extra time to commute to class?
- Am I willing to travel back to campus for co-curricular events or study sessions after class?
- Do I know what type of transportation I will use (car, bike, bus)?
- Do I have time to cook?
- Do I have an idea of who I would like to live with off campus?
- Will I be able to communicate effectively with my roommates and/or neighbors?
- Am I familiar with city codes/ordinances and how they can affect me?

BEWARE OF RENTAL SCAMS!

Anyone from landlords to property managers to tenants can become victims of rental scams. Avoid renting sight unseen. If you have to rent before inspecting the property and meeting the landlord, check with Student Legal Services first in the Lory Student Center, (970) 491-1482.

HOW TO AVOID RENTAL SCAMS

Never accept more payment than the amount you request. Always ask for references. Google the potential landlord’s name and property name (if applicable) to see if anything comes up that is of concern. Take all money orders or checks to your bank and make sure they clear.

People have different priorities when it comes to housing selections. Ask yourself what is important to you. Do some background research to gain a basic idea of the neighborhood/apartment complex. Try to contact the current tenants. Ask them about the landlord and neighbors. Have they experienced problems?

**MOST IMPORTANTLY:**
- Do not sign the lease without first making an appointment with Student Legal Services or looking at the website: [sls.colostate.edu](http://sls.colostate.edu).
- Be leery of special deals to get you to sign a lease quickly and early.
- Do not rent a place you only looked at online or in the paper. Make sure you tour the property.

**Location**
- How long does it take to travel to campus?
- Is it close to bus stops?
- Can you walk/bike or do you need to drive to campus?
- If driving, how much will it cost to park your car?
- Are there other students nearby, or is it mainly a single family neighborhood?
- Are there any amenities/stores nearby (e.g. pharmacy, grocery stores, restaurants, laundromat, or gas stations)?
- Check out the transportation section on page 54.

**Safety**
- Would you feel comfortable living there day and night?
- Are all windows in good condition and lockable?
- Are there smoke/carbon monoxide detectors?
- If the apartment has a security system, is it working?
- Is there more than one fire exit from the unit?
- Is the entrance well lit? Is your view blocked by shrubs?
- Who has access to the house key, and when were the locks last changed?

**Responsibilities**
- Is there a snow shoveling service provided, or will you be responsible for shoveling snow?
- Is there a lawn service, or will you be mowing the lawn?
- Does the lawn have to be watered or is there a sprinkler system? Who pays for the water?
- Are you responsible for your own maintenance, or is there a maintenance service provided?
- Has the unit been cited for a code violation recently? Contact the City of Fort Collins Neighborhood Services to find out, (970) 224-6046.

**Exterior/Interior Considerations**
- What type of parking is available — garage or street parking?
- Do you need a permit to park on the street?
- Is the parking sufficient (one space per car/visitors)?
- Is the parking area well lit?
- Is the unit furnished? If so, what is included? Is the furniture in good condition?
- Are laundry facilities provided?
- Are kitchen appliances in working order?
- Are you responsible for your own maintenance, or is there a maintenance service provided?
- Has the unit been cited for a code violation recently? Contact the City of Fort Collins Neighborhood Services to find out, (970) 224-6046.

**How much is the rent?**
**When is the rent due?**
**What is included in the rent (e.g. trash, water)?**
**Who is responsible for paying utility hookups/installation fees?**
**What is NOT included in the rent?**
**What type of heating is used (gas or electric), and how may that impact your heating bill?**
**What are the late fees if you do not pay your rent on time?**
**If you own a pet, what is the pet fee and/or pet deposit?**

Never go alone to visit a house or apartment. Bring a friend!

THE STANDARD
Leases are **legally binding** documents as soon as they are signed. They should be read carefully before signing. Verbal leases are also legally binding, although harder to prove in court. Always put your lease in writing. A written agreement protects you and the landlord by defining rental terms, rules, and expectations.

**LEGAL TERMINOLOGY**

**Civil:**
Non-criminal legal matters generally relating to the rights of private individuals. Most housing disputes are handled in civil courts rather than criminal courts.

**Constructive Eviction:**
Takes place when a landlord makes a property uninhabitable or unusable for the original purposes for which the lease was signed. Get legal advice before moving out on the basis of conditions you do not like. The situation must meet certain requirements, and there are specific steps that you must take.

**Default:**
Failure to fulfill a legal obligation such as making a required appearance at a court case or paying the agreed upon rent amount.

**Mitigate:**
Making compromises to avoid legal action.

**NEGOTIATING YOUR LEASE**

Say you’ve found the perfect house or apartment but the rent is too high or they won’t allow your pet. Don’t give up! You may be able to negotiate with the landlord for the type of lease agreement that would ideally suit you. Make sure the person you bargain with has the power to fulfill their promises.

**GET ALL AGREEMENTS IN WRITING!**

- **Strategies** - Most likely, your demands will meet some opposition, so it is important to give some thought to your negotiating strategies.
- **Use of information** - The better informed you are, the more confident and assertive you can be when making a request. Planning ahead and researching your options is very important.
- **Competition** - A good supportive argument, for example, is that there’s a place down the street for $25 less per month. Instead of just bluntly stating the difference, ask why the difference exists and begin to chip away at the reasons.
- **Collaboration** - Think about what offers you can make that are mutually beneficial. A “what if” question followed by a respectful silence can do wonders.
  - “What if I do the painting?”
  - “What if we put down a larger deposit?”

**SIGNING A LEASE**

Don’t sign a lease when you only intend to apply or to analyze a lease—once you sign, you are obligated. Be careful of inadvertently signing a lease at the application stage or e-signing online before you are ready.

**WHAT SHOULD BE IN THE LEASE?**

- The amount of rent
- The length of the rental period
- The security deposit amount and return date
- Who is responsible for paying utilities and initiating/disconnecting city services?
- Who is responsible for repairs?
- Whether subleasing is allowed, and under what terms
- When a landlord may enter your rental unit
- Is a pet deposit required?
- Are there monetary penalties for code violations?
- Are rooms rented individually or is the entire property leased as a whole?

Read every word of the lease and get legal advice on any parts you do not understand or that concerns you.

Visit Student Legal Services in the Lory Student Center for more information on leases and to make an appointment to speak to an attorney paid through your student fees. Visit [sls.colostate.edu](http://sls.colostate.edu).
TERMINATING YOUR LEASE EARLY

- Tenants are legally responsible for rent until the premises are re-rented or the lease has expired.
- A voluntary early termination of a lease can occur at any time if the landlord and tenant mutually agree to such termination.
- Early termination isn’t always an option offered by landlords. If this is the case and you still are moving out, you could either continue to pay rent or work out a sublease agreement if allowed.
- The tenant may be liable for the landlord’s reasonable costs of re-renting – it depends on the terms of the lease.
- It is strongly recommended that you seek legal advice before pursuing an early termination of your lease.

ASSIGNMENTS & SUBLETTING

If you absolutely must get out of your lease agreement early, assigning is your best option. This can occur only with landlord approval. Assignment replaces you with someone new and removes you from further obligations under the lease. If your landlord will not agree to an assignment, subletting is another option to consider. When you sublet, a third party known as a subtenant takes over your lease. It is important to remember that you will be in charge of finding this subtenant. In addition, subletting does not release you from the responsibilities of your lease if the subtenant fails to fulfill their obligations.

Steps

1. The first thing to do is check with your landlord to make sure subletting is an option.
2. If you have roommates, be sure to discuss the idea of subletting with them. It is possible to sublease just your part of the lease, but it is important that your roommates are in agreement. Find out what requirements they have for your future replacement.
3. Make a sublet posting on rentalsearch.colostate.edu.
4. Interview potential candidates keeping in mind you will be responsible for the rent due if the subtenant you choose fails to uphold their end of the agreement.
5. You and your subtenant must fill out a sublease agreement stating the terms of the sublease. Your landlord may be able to provide a pre-drafted sublet agreement. If not, a sample sublease agreement can be found on page 99.
6. Before your subtenant moves in, have your landlord do a walkthrough of your home so your subtenant, and not you, will be held responsible for any damages that occur after you leave.

Remember to use Student Legal Services as a resource!

You have the right to seek agreed-to edits to the lease – limit your efforts to only the most important changes. Student Legal Services will help you.

STUDYING ABROAD?

- If you are planning to study abroad, consider signing a shorter lease or living on campus.

3. MOVING IN

Moving into your new place can be an exciting and stressful time. Between making sure you have all of the basics, arranging furniture, and getting all the utilities hooked up, there is a lot to consider. Here is some helpful information to make the process easier.

**Changing Your Address**

Changing your address is a relatively simple process and should be one of the first steps you take when moving into your new place. We recommend doing it online through the U.S. Postal Services website, ([usps.com/movers-guide](http://usps.com/movers-guide)) but you can also pick up a form at the closest post office and submit it to them directly, or print one off and mail it.

**Utilities, Electric, Cable, and More...**

This may be your first time connecting utilities. Perhaps you’re not sure which company to call or how far in advance you need to make arrangements. No problem - here is a quick guide to utilities in Fort Collins.

**Fort Collins Utilities**

Fort Collins Utilities provides electricity, water, wastewater, stormwater, and broadband (Fort Collins Connexion) services.

Start or stop your utility services online at [fcgov.com/utilities](http://fcgov.com/utilities). There is a service fee to set up a new account. Plan ahead when you move. Allow one business day to connect or disconnect service.

**Looking for Ways to Lower Your Utility Bill?**

Fort Collins Utilities partners with local organizations to provide efficiency, conservation and bill payment assistance programs, including free resources that help keeping utility costs down. [fcgov.com/utilities-affordability](http://fcgov.com/utilities-affordability)

Utilities may be included in your rent. Check with your landlord.

**Renters Housing Standards**

When it comes to leasing, you have rights! While it is important for you to be a good tenant, it is just as important for your landlord to fulfill their obligations as a property owner. The following are some of the minimum habitability requirements that MUST be met for any property in Fort Collins:

- Insect screens are required.
- Doors are required to have locks that operate from inside without a key.
- Every bedroom should have at least one window that opens.
- Every bathroom should have a window that opens or an exhaust fan.
- You should not have to pass through someone else’s bedroom to have access to a bathroom.
- All plumbing fixtures should be maintained in a safe, sanitary, and functional condition free from obstructions, leaks, and defects.
- Units should have hot and cold running water.
- Units should have permanent heating that can maintain 68°F.
- Every rental housing unit containing gas appliances or an attached garage should have an approved carbon monoxide alarm. All rooms should have at least two separate electric outlets.
- All rooms and public areas should have at least one electric light fixture.
- Basement bedrooms should have an emergency escape window no more than 48 inches above the floor and at least 720 square inches.
- Smoke alarms should be installed in each of the following areas:
  - On the ceiling or wall outside of each bedroom
  - In each bedroom.
  - On each story within a dwelling unit, including basements.
- Test all smoke alarms and carbon monoxide detectors regularly.

**INTERNET & CABLE TELEVISION**

Fort Collins has several companies that provide residents with internet service. Shop around to determine the price range and services that work best for your household.

Typically, internet providers will offer different packages with varying download and upload speeds at increasing rates.

Services like satellite TV and internet can be bundled together in order to offer customers a lower price. It is important to be aware of what services you are paying for and what services you actually use.

---

**ECO-LEADERS GREEN TIPS**

- Take shorter showers and don’t leave the faucet running while brushing your teeth to conserve water.
- Wash clothes in full loads using the cold water temperature setting.
- Clean your dryer’s lint trap regularly to prevent clogs in air flow, and set Automatic Dry Control to ‘Dry’ to maximize efficiency.
- Keep your fan speed at level 1 and set your thermostat between 66-70 degrees in winter and 72-76 in summer.
- Only run the dishwasher when you have a full load, and set the cycle to “light wash” with “heated dry” off for optimal efficiency.

---

**Savings Energy and Water Starts with You**

You can save money every month and help out the environment by conserving energy and water. Even as a renter, small actions can add up to make a big difference. You’re in control. With Fort Collins Utilities residential Time-of-Day pricing, when you use electricity is as important as how much you use. Save by shifting your electricity use to the lower-priced, off-peak hours, or by reducing your overall use. Here are six tips for you to conserve:

- Turn off lights and appliances when you’re not using them. That game console can use a lot of electricity so unplug it when you’re done.
- Set your computer to hibernate after 30 minutes of inactivity, and turn off your monitor when you leave the room for more than 20 minutes.
- Talk to your landlord about setting your water heater temperature to no more than 120 degrees. Don’t worry — you’ll still have a nice hot shower.
- Install LED light bulbs. Discounted prices are available at local retailers.
- Ask your landlord to install efficient shower heads and faucet aerators. Every drop counts.
- Look at your electric and water use online. Challenge your roommates to use less.

Go to [fcgov.com/utilities/tips](http://fcgov.com/utilities/tips) for more information on keeping your residence energy friendly.
**TIP**

*If you don’t use all the capacity in your trash bin, call to request a smaller one and save money each month. The less you throw away, the less you’ll pay on your trash bill!*

RENTER’S INSURANCE

Be sure to purchase renter’s insurance. It is inexpensive and will protect your belongings from damage or theft. More importantly, it may protect you from having to pay thousands of dollars if you accidentally cause damage, such as in the case of a fire (exclusions do apply).

Before you start making calls:

- First step, check to see if you are covered under your family’s homeowner’s insurance.
- If you’re not covered under your family, do an assessment of your property and determine approximately how much money it would cost to replace your belongings. You will also need to decide which items you want to have fully covered (e.g. jewelry or collectibles).
- If you pay for car insurance, you may want to check in with your company to see if they will provide renter’s insurance at a discounted rate.

When calling each company, be ready with the following information:

- Your name, phone number, and property address.
- The names of everyone who lives at the property and how long they have lived at the residence.
- Prior addresses.
- Employment history.
- Any insurance claim history you have, including details such as dates, type of loss, and the extent of damages.
- Some companies may ask information about your residence, including building materials or square footage.

Variables Impacting Rates

Policies can be fit to your specific needs. These factors will affect the cost of renter’s insurance:

- Whether the structure is frame or brick
- How much theft and fire protection the home has (e.g., dead bolts, smoke detectors, etc.)
- Whether you live in or outside of city limits
- Student or non-student status, and sometimes marital status
- Whether you live in a complex with four or more units
- Whether you have other policies with the company (i.e., auto insurance)
- How much property and liability coverage you want or need
**Renter’s Insurance Terms**

**Deductible:**
Most policies have a deductible. This is a specific amount of money deducted from every claim you file. When getting your quotes make sure to inquire about deductible amounts because they can range from $50-$250 (or more). Also, the deductible may vary depending on whether the item is lost, stolen, or damaged. All of this should be taken into consideration when making your final decision.

**Liability:**
Liability coverage can range from $100,000 to $300,000. In most cases, more coverage is better. Check to see if your policy will cover your attorney costs in a civil suit, and/or medical damages for you and others.

**Minimum Coverage:**
Some policies won’t cover your property for less than a specific amount. Usually the minimum range is between $8,000 and $10,000.

**Moving Out**

**Security Deposit**

**Documenting the Condition of the Property**

Remember to take pictures before you move in so you have proof of the condition. It is essential to take pictures and make a narrated video describing your cleaning efforts and pointing out repair matters that are pre-existing conditions or ordinary wear and tear items. Give copies to the landlord right after moving out to encourage fair treatment of your security deposit and deter wrongful charges.

If the damages are more than the security deposit, the landlord may sue the tenant to recover those damages, or may turn the matter over to collections.

If the tenant has fulfilled all the terms of the lease (including proper termination), has paid the rent in full and on time, and has caused no damage beyond normal wear and tear, then the tenant is entitled to the return of the full security deposit.

Normal wear and tear means deterioration not due to tenant’s negligence, e.g. peeling/cracked paint. For a list of examples of normal wear and tear, refer to the Landlord Tenant Handbook found at fcgov.com.

**WILL I GET MY DEPOSIT BACK?**

- Under Colorado’s Security Deposit law, the landlord has 30 days (up to 60 days if stated in the lease) to return the full amount of the security deposit.
- The landlord can charge their tenant for any damages to the premises as long as they provide the tenant with an itemized statement within the time period specified in the lease. The itemized statement will outline:
  - Unpaid rent or utility bills owed by the tenant
  - Payment for damages to the premises beyond “normal wear and tear”
  - Any cleaning which the tenant agreed to in the lease
  - Any other breach of the lease that causes financial damage to the landlord.

**Storage Units**

If you’re moving away for the summer or studying abroad for a semester, a storage unit can be a great way to save yourself the expense and hassle of transporting all your stuff back and forth.

Typically, the price depends on the size of storage unit you choose to rent.

4. MANAGING A BUDGET

Visit Off-Campus Life, LSC room 274 to learn about housing security resources.

Before moving off campus, it’s important to know how much it will cost. Students living off campus for the first time often report they were not prepared for the expenses they incurred. Paying your bills on time requires both planning and money. You will need money for utilities, transportation, food, furniture, etc. So, it is always a good idea to plan a budget ahead of time.

BALANCING A BUDGET

If your income and expenses do not balance and/or show a negative balance, here are some suggestions on how to improve your budget:

Increase your income/resources
- Obtain a part-time job: Visit https://career.colostate.edu/job-internship-search/ for more information about securing employment.
- Consider applying for financial aid! Visit financialaid.colostate.edu for more information about your financial aid options while attending CSU.

Decrease your expenses
- Start with the easy stuff by cutting variable expenses like entertainment (streaming services), credit-card purchases, or meals out.
- If that isn’t enough, you can cut fixed expenses by seeking less expensive housing and/or sharing housing with others.

• Walk, bike, or use public transportation instead of owning a car. Check out green.colostate.edu/alternative-transportation/ for more information about transportation to campus.
• Buy used books or rent books instead of buying new books.
• Change schedule for paying bills: There may be a better way to divide payments or spread them over the coming months. Check to see if you can adjust your payment schedule.
• Ask for help. Visit Off-Campus Life to learn about financial support.

TIP
When planning your budget, don’t forget to take into account times during the year when your spending might be higher such as for air conditioning in the summer, heat in the winter, and gifts during the holidays.

Canvas Financial Wellness module

Finances are one of the top stressors for CSU students and college students nationally. The Canvas Financial Wellness online modules will boost your financial know-how and help you learn to manage your money in college and beyond. While not required, all incoming students are encouraged to complete the program. Some topics include understanding student loan debt, using credit cards responsibly, sticking to a budget, and planning for your financial future. Students can access Canvas Financial Wellness through their RamWeb account.

If you are new to budgeting, you might want to keep track of your expenses for a couple of months to find out where your money goes. Don’t expect to have a perfect budget the first time you set one up. A budget is something you keep working and reworking until it fits for you.

See page 101 for a sample budget spreadsheet. For college students, budget planning may be easier to do on a semester basis.

EXAMPLE: 50/30/20 BUDGET

- Needs: Housing, Groceries, Utilities
- Wants: Dining out, Shopping, Hobbies
- Financial goals: Savings, Investments, Down payments

WANTS: 30%
FINANCIAL GOALS: 20%
NEEDS: 50%
OFF-CAMPUS MEAL PLANS

Still interested in having some meals on campus? Housing and Dining Services offers a variety of affordable meal plans for students living in the community. These meals roll over from semester to semester as long as you are at CSU, and include dining at all of the locations on campus, as well as to-go meals: housing.colostate.edu/dining

Save Your Cash by Saving Your Food

Did you know that wasted food makes up around 25 percent of what Fort Collins residents throw in their trash? Similarly, on average Americans throw away a quarter of all the food they buy. That’s like walking in the door with four grocery bags and dropping one straight into the trash each time you shop.

All this wasted food adds up:
- An average household loses approximately $1,500 a year in wasted food!
- Food scraps decomposing in local landfills emit as much greenhouse gas annually as 1,750 vehicles.
- Throwing away food also wastes the water it took to produce it. For example, it takes 1,800 gallons of water to produce a pound of beef.

So how can you save your food, money, and water, and reduce GHG emissions?
- **Smart Shopping**—buy only what you need. Plan meals ahead of time and make a list before grocery shopping to avoid buying too much food.
- **Smart Storage**—learn how to properly store different foods to keep them fresh longer. Most produce does best in the fridge, but things like bananas, mangoes, potatoes and onions last longer on your countertop.
- **Smart Prep**—prepare now, eat later. After you shop, take some time to wash, dry, slice and dice your food. This makes it much easier to grab a snack or throw together a quick meal on a busy weeknight.
- **Smart Savings**—eat what you buy, including leftovers. Channel your inner chef to find creative ways to use up food before it spoils.

Nutrition Center

FOOD

Now that you may no longer be eating in the dining centers on campus, you need to start thinking about your options.

Start by answering some of the following questions:
- Do you enjoy, know how, and have the time to cook?
- Are you going to eat out often? Can you afford to do so?

Smart Actions

**Smart Shopping:** Plan your meals, make a list, and buy only what you need.

**Smart Storage:** Learn how to store foods to keep them fresher, longer.

**Smart Savings:** Get creative and try new recipes to use up food before it spoils.

**Smart Prep:** Prep your food after shopping — wash, dry, slice and dice so everything’s ready to cook on a busy weeknight.

At the end of the month pay off as much of the bill as you possibly can. Any part of your bill that rolls over will result in interest fees which can really add up!

TIP

The decision to get a credit card should not be taken lightly. If used responsibly, it can be a great way to establish good credit which will be important later in life when applying for loans, buying cars, or purchasing a home. On the other hand, when a credit card is abused it can result in low credit scores and overspending. Credit cards can also present a security risk through loss, theft, or identity fraud.

Here are a few things to keep in mind when deciding to get a credit card:

- Not all credit cards are equal! For college students, specially designed student cards exist.
- Some cards charge an annual fee.
- Every credit card will have an APR (Annual Percentage Rate). This is the interest rate you will be required to pay for your purchases. When looking at rates, remember the higher the rate, the more you will have to pay if you aren’t able to pay off your bill in full each month.
- Many cards offer an introductory rate with a lower APR, but keep in mind this isn’t permanent. Make sure you know what interest fees you will be paying once the introductory period has passed.
- Some cards offer rewards, like cash back or travel points. Don’t overspend just to earn rewards.
- Some (but not all) credit card companies offer a grace period in which you have 20-30 days to pay your bill if you get behind. Some, on the other hand, will charge a late fee.
- If you fail to make a payment on time or at the very least, within the grace period, it will negatively affect your credit score. This is called a penalty rate.
- Some credit card companies have a “Change of Terms” policy which means they can change the terms of your credit card agreement at any time. This includes the ability to raise your interest rates for any reason.

If you decide to get a credit card, BE SMART ABOUT IT!

- Don’t overspend! In addition to paying the money back at a later date you will also have to pay all of the accrued interest, which is not cheap!
- Only carry one card at a time. Credit cards are a great tool to build up credit and a good thing to have around in case of emergencies, but filling your wallet with them can result in increased spending and confusion when paying bills.
- Make sure not to exceed your credit limit. Every card has its limit and exceeding it can result in fees and penalties.

TIP

Some credit card companies will raise your interest rate for a completely unrelated loan or credit card if you are late on a payment. This is called Universal Default.
CHAPTER 5: ROOMMATES

CONTENTS

• Roommate Issues to Consider
• Roommate Agreements
• Roommate Conflicts
• Joint & Several Liability
5. Roommates

Who are you going to live with?
This is a BIG decision and needs to be given careful consideration. There are legal, financial, and personal implications that affect people living together. Even if your best friend appears to be the perfect roommate, they may not live up to your expectations.

Roommate Issues to Consider

- Privacy
- Noise
- Guests
- Pets
- Personal belongings
- Smoking/alcohol/drugs
- Parties
- Bills/deposits
- Cleaning
- Groceries/food
- Parking
- Study habits
- Partners
- Sharing a bathroom
- And much more

TIP
Groceries can create some of the biggest issues between roommates. Here are a few ideas to help:

- You can designate cabinets for each roommate.
- Condiments are something everyone needs as you do not want your fridge to have four ketchup bottles taking up space.
- Have each roommate donate a condiment before you move in.

Roommate Conflict
If you’re experiencing a roommate conflict and would like assistance in resolving the situation, contact Conflict Resolution Services at the SRC at (970) 491-7165 to schedule a consultation. If at least one of the parties involved is a CSU student, Conflict Resolution Services can provide conflict coaching, facilitation, and/or mediation.

Joint & Several Liability
If one roommate moves out, the remaining roommates maybe responsible for that person's share of the rent and damages. Tenants are responsible for rent until the lease has expired, or in most cases, until the premises are re-rented.

Roommate Agreements
You should always have some sort of written agreement in place. A sample roommate agreement can be found on page 97 of this handbook.

Rent by the Room

PRO: You’re only responsible for your lease.

CON: If a roommate leaves, the landlord can assign a new tenant.

Emotional Support Animals and Service Dogs

To qualify for an emotional support animal, a student must have a documented disability that impairs daily functioning and be able to demonstrate that daily functioning is improved with the assistance animal. To bring a service dog into a residence, the student may be asked if the dog is a service animal related to a disability and what task(s) it has been trained to provide. There is a distinction between an emotional support animal that lives at home and does not accompany the person from place to place versus a service dog that is trained to perform a specific task and goes with the individual each day.

CSU Health Network does not provide letters of support and referral for students seeking to make use of emotional support animals and psychiatric service dogs. Students should seek a disability evaluation from a home provider, forensic psychologist, or forensic psychiatrist with specialized training working with human-animal bond in counseling. More information is available at the CSU Student Disability Center at https://disabilitycenter.colostate.edu/

6. Health & Safety

Staying healthy can sometimes be challenging for busy college students, yet taking care of your body and mind is critically important to your academic success and overall well-being. Here are a few tips to keep in mind:

Manage your stress.

- Be sure to take time out of your busy schedule to de-stress and relax. This can actually help with productivity and make your college experience more enjoyable. Adequate sleep, healthy eating, and physical activity are also key factors to managing stress in college.

- Get it checked out. Feeling under the weather? Have a toothache? Concerned about a nagging physical issue? Don’t wait to have a professional take a look. Addressing issues related to illness or injury early can minimize disruption to your busy schedule and give you greater peace of mind.

- Talk to someone. Are you having relationship issues, struggling with a life change, or feeling overwhelmed, anxious, or depressed? Many students find that talking to a mental health counselor is a helpful step in overcoming problems and managing crises that you may experience.

- Look out for each other. Rams take care of Rams. If someone you know is stressed by life circumstances, experiencing mental health symptoms, having any thoughts of suicide, experiencing relationship violence, or struggling with addiction, please tell someone. CSU and Fort Collins are full of caring professionals that can help.
RISK REDUCTION STRATEGIES

KEEP YOUR HOME HEALTHY & SAFE

The City of Fort Collins’ Healthy Homes Program is a FREE program designed to help improve the indoor air quality and health of your home. The indoor air quality of your home is very important, especially since it can be up to 5 times worse than outdoor air. Call with your questions or to receive a personalized set of recommendations on how you can improve the indoor air quality of your home. When you complete an assessment with them over the phone, you will receive many free gifts, including:

• Radon Test Kit
• Healthy Household Cleaner
• Healthy Household Cleaning Recipes
• Sustainable Cloth for Dusting
• Carbon Monoxide Detector & Fire Alarm (if needed)

For more information, contact Healthy Homes at 970-416-2832 or visit fcgov.com/HealthyHomes

TIP
Always call police if you notice suspicious activity. Trust your instincts – take action if you feel like something “just isn’t quite right.” Keep the Fort Collins Police Services number (970) 419-3273, in your phone and report issues right away. Always call 911 if you see a potentially dangerous situation or an emergency.

WALKING

• Avoid walking alone at night.
• Change your routines.
• Use well-lit traveled routes.
• Avoid shortcuts and dark, isolated areas.
• Walk purposefully, know where you are going, and project a confident image.
• If you feel threatened, cross the street, locate an emergency phone, or enter a store or place of business.
• Have your door keys ready; carry them in your pockets, not buried in a purse or backpack.
• When walking to your car, don’t hit the unlock button until you are close.
• Use the SafeWalk program to get home after dark. Visit their homepage at https://police.colostate.edu/safe-walk/ or contact them at (970)-491-1155.

LEAVING FOR BREAKS:

• During winter breaks, you are still responsible for keeping public sidewalks adjacent to your home free of snow and ice. Make arrangements with friends or neighbors.
• Thieves know the university schedule, so make your place look lived in.
• Tell your neighbors you’ll be out of town and ask them to keep an eye out on your home.

AT HOME

• Lock your doors and windows, even when you are inside your home or just stepping out for a short while. It takes a thief 10 seconds or less to enter an open room and steal your property.
• Keep emergency numbers on your phone.
• Do not leave messages on your door indicating you are away and when you will return (including your schedule).
• If someone asks to use your phone for an emergency call, offer to call for them instead of allowing them access to your home.
• Do not put your address on your key ring.
• Know your neighbors.
• Do not leave keys in hiding places. Thieves will find them.
• Close blinds and curtains at night so individuals outside cannot see in.
• Keep all windows and doors locked.
• Store electronic equipment and small valuables in a safe place.
• Cancel your newspaper so it doesn’t pile up outside your house.
• Contact the post office and have them hold your mail while you are away.
• Have a timer for lights so your house looks occupied, even while you are gone.
• If your neighbors have an extra vehicle, ask if they are willing to park in your driveway.
• Keep your heat on during winter months so pipes don’t freeze and break. Coming back to a flood would be a bummer, not to mention a costly mistake.
Did You Know?

Downtown Fort Collins hosts several free events per year. With concerts, art walks, and a fantastic selection of restaurants and bars, there is always something fun happening downtown. To see a list of upcoming events visit: downtownfortcollins.com.

DOWNTOWN AFTER DARK

Going downtown after dark?
Run through this checklist before you head out for the night!

Is my phone charged?
Dead battery = no way to call for a ride or find friends if you get separated.

Do I trust the people I’m going out with not to ditch me?
There’s safety in numbers, so stick with a group that will stick together. No friend left behind!

How am I getting home?
If you’re partying, make sure you’ve got a plan to get home safely once the fun is done. RamRide provides free, safe rides for all CSU students on weekend nights. Check ramride.colostate.edu for details. Download the CSU RamRide app powered by Spare to request your ride.

Do I have a way to pay?
Just in case you get separated from friends, or your designated driver can no longer drive, make sure you have a way to pay for a ride home if needed.

Does someone know my plan?
Before you head out, tell someone where you’re going and when you plan to be back.

Do you have a mask?
Some downtown establishments and rideshare companies have mask requirements, so grab a mask just in case you need one!
**Fire Prevention:**

- Make sure smoke detectors are working properly. Test them once a month and change the batteries in them once a semester.
- If your alarms are more than 10 years old, replace them immediately.
- Do not remove batteries from smoke detectors except to change them.
- If you have a false alarm, pushing the test button on the front of the alarm will usually silence it.
- Carbon Monoxide (CO) alarms are necessary in any housing with gas appliances, heat, or attached garages. Landlords are required to provide CO alarms, but tenants are responsible for changing the battery once a year and ensuring the alarms are working.
- Hookah pipes can set off CO alarms if the room is not properly ventilated.
- Know at least two ways out of every room.
- Make an escape plan in case of emergencies and practice it at least once.
- Purchase a collapsible escape ladder for upper windows and know how to use it.
- Don’t overload outlets or power strips.
- Don’t leave lit candles or incense unattended. Make sure candles aren’t in the vicinity of anything flammable including drapes, posters, or fabrics.
- Don’t leave food unattended on the stove or in the microwave, and make sure all burners are turned off before leaving the house.
- Make sure cigarettes are fully extinguished. When smoking, use a sturdy, non-tipping ashtray.
- Do not put cigarettes out in potted plants!
- Never smoke in bed or when under the influence of drugs or alcohol.
- Keep a fire extinguisher near the kitchen and know how to use it.
- Make sure the wattage in light bulbs matches the correct wattage for the fixtures.
- Don’t run the dryer without a lint trap. Clean the lint trap regularly.
- Keep your electrical wiring in good condition. Have wire replaced if it is frayed or cracked. If you are renting, it is your landlord’s responsibility to keep the wiring up to date. Let them know immediately if there are any issues.
- Be very careful with space heaters and keep flammable items at least 3 feet away from water heaters, heaters, furnaces, and fireplaces (that includes furniture!).

**In Case of Fire:**

- Never ignore a fire alarm. Leave at once and close all doors behind you on your way out.
- Once you are out of harm’s way, call 911 immediately.
- Use the stairs. Elevators shut down automatically when the fire alarm is going off.
- Test every door for heat with the back of your hand. If a door feels hot or you see smoke seeping out, DO NOT OPEN IT.
- Crawl low in smoke.
- If possible, cover your mouth with a cloth to avoid inhaling smoke and gases. Most people who die in fires actually die from smoke inhalation.
- Don’t go back in, no matter what!
- If a fire starts while cooking, put a lid over the burning pan or use the fire extinguisher. Never pour water on grease fires.
- If you are trapped in your home DON’T PANIC! Close your door and seal off any cracks with wet towels. As soon as you are able, call 911 and give your name, address, and location in the building. If possible open a window for air and signal for help. Wait for help to arrive.

OTHER TRANSPORTATION OPTIONS:

Walking
If your house is close to campus, walking can be a good option. Fort Collins is a relatively safe city. However, that does not mean you should not be cautious when you are walking around town. Check out the “Safety” section of this handbook for more information.

Safe Walk
You can contact the CSUPD at (970) 491-1155 for a free Safe Walk to and from a location within three blocks of campus. Campus Service Officers are on duty from dusk until dawn to provide this service.

Parking
Parking permits are sold online through Parking Services. You may park in Z and A lots without a permit after 4:00 pm (exceptions: certain marked spaces in A lots by Morgan Library, Clark C, Engineering, Administration Building after 7:00 pm), and X, Q, W lots after 8:00 pm. After Friday evening, parking without a permit is allowed until 7:00 am Monday morning. For more information, contact CSU Parking Services (970) 491-7041. For a map of parking lots, please visit parking.colostate.edu.

Neighborhood Parking

If you don’t live in the neighborhood, you can’t park in an RP3 Zone for longer than the signs allow. If you live in the neighborhood, you must have an RP3 permit to park on the street.

Visit ramride.colostate.edu or RamRide’s social media for the latest updates.

BIKING
Is a Bike-n-Ride service available?
Yes. Bicycling is a popular and viable means of transportation at CSU and in Fort Collins. There are numerous locations for bicycle parking on campus. There are more than 75 miles shared use paths open to cyclists in Fort Collins, including the Spring Creek and Poudre River Trails, both paved. Fort Collins solidified its place among the nation’s most bicycle friendly communities when the League of American Bicyclists announced Fort Collins achieved Platinum Level designation in the Bicycle Friendly Community program in May 2013.

Biking on Campus
All bicycles ridden or parked on the CSU campus must be registered with the CSUPD. The one-time registration requirement costs $10 and can be done in Green Hall. Bikes are required to obey the same traffic regulations as an automobile (e.g. stop signs), and bikes are not permitted on sidewalks. Have a light on your bike when riding at night. Remember, it is a $35 fine per safety violation. CSU is a Platinum Bike Friendly University with a Campus Bicycle Advisory Committee.

FC Bikes
FC Bikes is the City’s program working to make Fort Collins the best place in the nation to ride a bike. Visit fcgov.com/fcbikes for information about bicycle-related projects, maps, events, classes, and other resources.

8. CITY CODES & ORDINANCES

**OCCUPANCY LIMIT (U+2)**

The City has a housing occupancy limit, and it is important for all students to learn about this code.

*How does this code apply to the majority of CSU students living off campus?*

Unless you are living in a certified extra-occupancy rental house or certain designated apartments, you cannot have more than three unrelated persons residing in the same dwelling. If the occupants claim to be related, they will be required to provide proof.

**FREQUENTLY ASKED QUESTIONS**

*Who can live in a house without violating the U+2 rule?*

You may have:

1) One family (related by blood, marriage, or adoption) and not more than one additional person.
2) Two adults and their dependents, if any, and not more than one additional person.
3) Three unrelated individuals.

For example:

You could have any combination of a family plus one additional person (a boarder, a caretaker, a nanny, etc., or any number of siblings and an additional roommate) or you could have up to three unrelated adults (three unrelated roommates, two single moms and their kids plus another roommate, etc.). However, you cannot have two related people (like brothers) and two additional people. In this scenario, the two brothers would be considered a “family” and they can have one additional person.

*Are there apartments and homes that allow for more than three unrelated friends to live together?*

Yes! The Extra Occupancy List is always changing, so check out the Off-Campus Life website for the most up-to-date version at ocl.colostate.edu.

*What if a house can easily accommodate more than three residents?*

The property owner can apply for an Extra-Occupancy designation if the house meets certain criteria and is in a designated district that allows it. You can find additional information on Extra Occupancy at ocl.colostate.edu.

*What if I have guests on most weekends? Will I be in violation even though these guests don’t technically live with me?*

The current code classifies anyone who spends more than 30 nights in a dwelling in a 12 month period as an occupant. Therefore, a frequent guest could actually be considered an occupant. If the City receives a complaint, there will be an investigation to see if there is reasonable suspicion of an occupancy limit violation.
How is the occupancy ordinance enforced and what does the process look like?

1. When someone calls the city to report a property they believe is over-occupied, staff will be interested in the following information: complainant’s contact information (unless they choose to be anonymous), address of property in question, reasons for suspecting over-occupancy and any supporting evidence (tenants’ names, license plate numbers, etc.).

2. Once City Staff completes an intake form based on the information provided by the complainant, they will begin an investigation and contact the owner/property manager to request a copy of the Disclosure form. Disclosure forms have been required since December 2005, and there is a potential fine up to $1,000 for not having a Disclosure form upon request. The form acknowledges that all involved parties (sellers, leasers, tenants, buyers) have been informed of the occupancy limit in Fort Collins and is required to be signed by all parties at the time of lease signing.

3. If the investigation produces “reasonable cause” to suspect over-occupancy the inspector will give notice to all tenants, the landlord, and the property manager they are in violation and may issue citations to all occupants, owners, and managers. They will have 20 days to correct the over occupancy violation and will need to schedule an inspection to confirm compliance.

4. Correcting the situation within the time period on a first complaint will likely result in no citation or penalty being issued. However, if the occupancy investigator determines the household “blatantly” violated the ordinance, then a citation may be issued to the owner, property manager/landlord and/or each tenant of the property. Fines can be as high as $1,000 per day for every day in violation. After being cited, the parties will have 20 days to pay the assessment or appear in court on the scheduled court date.

5. If participants request a hearing, they will be scheduled to appear before a court-appointed hearing officer. The inspector will be present if the case goes to trial and any neighbor willing to participate as a witness can also attend. Hearing decisions are final, and all statements are made under oath with the consequence of criminal charges (such as perjury or false information to authorities) if false statements are made.

6. If an investigation results in reasonable cause to suspect a violation of the Rental Housing Standards, inspectors may also conduct a rental housing inspection throughout the entire property to determine if any health or safety problems exist.

5. If participants request a hearing, they will be scheduled to appear before a court-appointed hearing officer. The inspector will be present if the case goes to trial and any neighbor willing to participate as a witness can also attend. Hearing decisions are final, and all statements are made under oath with the consequence of criminal charges (such as perjury or false information to authorities) if false statements are made.

6. If an investigation results in reasonable cause to suspect a violation of the Rental Housing Standards, inspectors may also conduct a rental housing inspection throughout the entire property to determine if any health or safety problems exist.

HELP FROM STUDENT LEGAL SERVICES

Disclosure Statement

Be prepared to sign this form when you sign a new lease! Your landlord should supply a copy to you. This is a form tenants are required to sign with the signing of any new lease acknowledging they have been informed of the occupancy limit in Fort Collins. The Disclosure form can be found on the City of Fort Collins website: fgov.com/neighborhoodservices/occupancy.
PUBLIC NUISANCE ORDINANCE

If you live in a house that has had multiple violations, you may be in jeopardy of becoming a “public nuisance property.” Violations of this ordinance, called PNO, result in a letter being sent to the tenants, as well as the owner of the property, requesting an immediate fix of the problem.

Public nuisances
- Noise
- Trash
- Overgrown weeds/grass
- Over-occupancy
- Inoperable vehicles
- Parking on lawns
- Unkempt lawns
- Parking
- Snow removal
- Animal violations
- Indoor furniture left outside
- Any municipal code violations
- Nuisance Gathering
- Air Quality-Woodsmoke

A violation occurs when a property receives:
- Five citations of any kind in two years
- Fines can be as high as $500 per person per day for every day in violation

SOCIAL HOST ORDINANCE

This ordinance holds hosts responsible for providing a space in which underage possession/consumption of alcohol or marijuana is occurring. The host(s) do(es) not have to provide the alcohol/marijuana to be held responsible. A Social Host Ordinance violation is a civil (non-criminal) infraction that has a $100+ fine. The Social Host Ordinance does not replace current capitalize ordinances (such as Unreasonable Noise and Nuisance Gathering) and it is possible for a party host to be issued multiple citations.

NUISANCE GATHERING ORDINANCE

This ordinance makes it a misdemeanor criminal offense to the responsible individual (the party host, not necessarily the people actually littering or vandalizing) when different types of nuisances occur on neighboring private or public property including, but not limited to:
- Trash and litter
- Public urination
- Vandalism

A conviction carries a minimum of $500 and up to a $2,830 fine with a possibility of jail time or community service hours. Additionally, you could be assessed the costs of police and fire personnel overtime, repairs to city streets, and cleanup or repair for any damage to neighboring property.

Don’t get caught up in someone else’s mess!

Public Nuisance Ordinance violations stay with the property, not with the tenants. When you are looking to rent, check to see if the rental you’re planning on moving into has received any citations.

Do your homework and check the history of the property PRIOR TO RENTING by calling Neighborhood Services, (970) 224-6046.

The last thing you want is to move into a house with a history of violations.

UNREASONABLE NOISE ORDINANCE

The City of Fort Collins has legal standards for the following:

UNREASONABLE NOISE
How much noise is too much noise? The City does not use decibel measurements to determine unreasonable noise. If a neighbor can stand on the edge of their property line and hear noise coming from your house, it may be too loud. The noise ordinance is in effect 24 hours a day.

Fort Collins police officers typically respond to parties on a complaint basis.

This means you have to have disturbed someone in your neighborhood who then calls the police. The responding police officer has the discretion to decide if the noise coming from your property is unreasonable. If the noise is determined unreasonable, the officer can issue a ticket with a fine of up to $1,000+ per resident for the first offense. Remember, you can register your parties at the Off-Campus Life office by 5:00 pm the Thursday before your party, to help avoid a citation . See pg. 77 for more details.

In addition, if your party is getting out of control, call Fort Collins Police Services non-emergency number 970-419-FCPD (3273) and ask for help breaking it up.
OTHER MUNICIPAL CODES

RIOTS
A riot is defined as a public disturbance involving three or more people whose conduct creates a danger of damage or injury to people or property or substantially obstructs the performance of any government function.
Consequences of engaging in a riot can include a $1,000 fine and/or 12 months in jail, even if you are simply watching a riot happen. If you are near or in a riot situation, LEAVE when the police tell you to!
Additionally, state Riot Laws provide that anyone convicted of a rioting offense cannot attend any state-funded institution of higher education in Colorado for at least one year.
CSU students take note:
Engaging in a riot — or even just being a bystander and watching it — can get you into trouble. Having a role in a riot can mean automatic suspension from all state supported institutions of higher education – including CSU – for 12 months if convicted – and your tuition is NOT refunded.

FIREWORKS
The possession and use without a permit of fireworks of any kind is illegal in the City of Fort Collins. The penalty for a fireworks violation will result in confiscation of the fireworks, summons to municipal court, and a fine up to $2,830. To avoid a summons, a costly fine, possible injury, or fire, it’s best to leave the fireworks shows to the professionals.

FURNITURE
No furniture designed for indoor use can be placed in your yard or on an unenclosed porch; i.e. sofas cannot be on your front or back lawn, roof, or unenclosed porch.
There are many options to dispose of unwanted furniture. Search online for furniture removal in Fort Collins or contact non-profit organizations or consignment shops to donate your furniture. You can also search the bulletin board on rentalsearch.colostate.edu.

OUTDOOR FIRES
Smoke and odor generated from wood burning can have unintended negative impacts on those around us and affect some of our most sensitive populations such as the young, the elderly and people with heart or lung conditions. Outdoor wood burning is prohibited between the hours of 10 p.m. and 7 a.m., and fire pits must be located at least 15 feet from any property line. Visit fcgov.com/woodsmoke for additional requirements.

TRASH
Trash containers must be stored out of view of the street.
Trash containers can be placed out for collection no earlier than 12 hours before scheduled pick-up and must be put away the same day of pick-up.
Trash cannot be placed on the street or sidewalk where it can interfere with bicyclists, pedestrians, and vehicles.
Trash can include bagged leaves, newspapers, or other discarded items.
In Fort Collins, it is illegal to throw cardboard or electronics in your trash bin; they must be recycled or reused. Find more information and recycling locations at fcgov.com/recycle.

YARDS/GRASS
Weeds and grass cannot exceed a height of six inches in yards and alleys within city limits.
Leaves and branches may be temporarily piled provided they are being gathered for disposal; piles cannot remain in your yard for an indefinite period of time.
Do not rake leaves into the street since it is unlawful and can cause storm water drainage problems.

SNOW REMOVAL
Whether you own or rent your home, you are responsible for clearing snow and ice off public sidewalks adjacent to your property within 24 hours after the snow stops falling.
If your walkway has not been shoveled, a neighbor may report it to the Nuisance Hotline, or City inspectors may proactively inspect the offense while out in the field.
If the City hires someone to remove the snow the property owner will be billed and may pass the charge along to you with an additional fine, which can be very expensive. You may need to use an ice-melt material in order to make sure your sidewalk is safe for pedestrians.

Snow violations will be enforced even if you leave town over break.
Offer to shovel for a neighbor while you’re in town and see if a neighbor is willing to cover your shoveling responsibilities while you are away.

TIP
Anyone convicted of engaging in a riot will automatically be suspended from all state institutions of higher education for at least one year.
**Residential Parking Permit Program (RP3)**

- This program provides convenient on-street parking for residents by reducing the impact of non-resident vehicles in participating neighborhoods.
- It limits parking to only residents and their guests during the posted time limits.
- There are no visible permits.
- The system works by reading registered license plates and issuing citations for those not registered.
- Residential parking restrictions will be enforced on gamedays.
- Neighborhoods with RP3 have signage clearly designated.
- Go to [fcgov.com/parking](http://fcgov.com/parking) for more info.

**Animals**

**Licenses**

All dogs and cats within city limits must be licensed yearly through the Larimer Humane Society. Failure to properly license your pet can result in a municipal fine if the animal is impounded. Pet licenses can be purchased online at [larimerhumane.org](http://larimerhumane.org).

**Rabies Vaccination Requirements**

Any person who owns or keeps a dog or cat within the city must have such dog or cat vaccinated against rabies when the dog or cat becomes four months of age and again within 12 months of the date of such initial vaccination, and must continue to have the dog or cat vaccinated at intervals recommended by a veterinarian. Any person who owns or keeps a dog or cat within the city must ensure such dog or cat has a current rabies vaccination tag affixed to its collar or harness at all times.

**Leash Law**

It is unlawful for the owner or keeper of any pet, except birds, to permit such animal to be at large in the city. This means all pets (cats too!) must be kept on a leash if they are not confined to a fenced yard or a designated dog park.

**Noise/Barking Dogs**

Barking or howling dogs can be a major irritant in a neighborhood setting. While it is important to understand dogs bark incessantly for specific reasons (boredom, anxiety, fear, etc.), it is unlawful to allow this behavior to negatively impact others. Animal Control Officers will respond to noise disturbances when a citizen makes a formal complaint through the Humane Society, (970) 226-3647 ext. 7.

A Public Nuisance violation could be declared if any owner or keeper fails to exercise proper care and control of their animal which causes a safety or health hazard, damages or destroys the property of another, or creates offensive odors which interfere with or disrupt another person.

**Pet Waste**

Pet waste not only causes offensive odors, but feces left behind are also unsightly and pose a threat to human health and the environment. Pet feces deposited on any property not owned or occupied by the owner or keeper (such as parks, playgrounds, natural areas, trails, or a neighbor’s yard) must be picked up immediately and disposed of properly. Pet feces deposited on property owned or occupied by the animal’s owner or keeper must be periodically removed to prevent creation of a public nuisance. Failure to remove pet waste may result in a municipal fine.

**Parking**

- Unless otherwise posted by a traffic control device or sign, the Fort Collins Traffic Code does not limit the time motor vehicles may be parked on public streets.
- Trailers cannot be parked on the street.
- Vehicles must be parked facing the direction of traffic.
- Inoperable vehicles must be stored out of public view (expired tags mean your car is considered inoperable).
- Vehicles may not be parked on lawns/yard. (Enforced on gameday)
- Vehicles cannot block a driveway or sidewalk (including your own).
- Vehicles and trailers parked on the public street are enforced by Fort Collins Police Services non-emergency (970-419-3273).
- Complaints can be reported to the Nuisance Hotline, (970) 416-2200 or online at: [fcgov.com/nuisance](http://fcgov.com/nuisance).

**Pet Waste**

Pet waste not only causes offensive odors, but feces left behind are also unsightly and pose a threat to human health and the environment. Pet feces deposited on any property not owned or occupied by the owner or keeper (such as parks, playgrounds, natural areas, trails, or a neighbor’s yard) must be picked up immediately and disposed of properly. Pet feces deposited on property owned or occupied by the animal’s owner or keeper must be periodically removed to prevent creation of a public nuisance. Failure to remove pet waste may result in a municipal fine.

BEING A GOOD NEIGHBOR

CONTENTS

• Neighbor Conflicts
• Party Registration

9. BEING A GOOD NEIGHBOR

Fort Collins is known for its friendliness and small-town warmth. Take pride in where you live and get to know your neighbors!

Here are some helpful tips:

**NEIGHBOR ETIQUETTE**

**INTRODUCE YOURSELF**

A simple “hello” goes a long way. This is your first step in building a good relationship. And don’t forget to keep saying “hello.” Grow the relationship throughout the year; you never know when you will need that cup of sugar or help shoveling your walk.

**KEEP NEIGHBORS INFORMED**

Contact your neighbors in advance before undertaking something that may affect them (e.g., throwing a party or building a fence). Share your contact information (cell phone, etc.) so there is an easy way of communicating should a problem arise or if questions come up.

**NEIGHBOR CONFLICTS**

Sometimes conflicts come up between neighbors. These problems usually arise because the two households did not have an effective communication system to assist them in cooperatively resolving their dispute. These conflicts include:

- Noise and nuisance complaints
- Parking problems
- Over-occupancy concerns
- Animal disturbances (barking)
- Property maintenance/upkeep (or lack thereof)

Effective communication is one of the best methods to help neighbors in resolving their disputes. Learn more at: resolutioncenter.colostate.edu.

**HANDLE PROBLEMS POLITELY**

If your neighbors do something that bothers you, respectfully let them know as soon as possible. If you think your neighbors make unreasonable complaints or don’t like you, keep in mind your neighbors may have suffered from problems with a previous renter. Be patient and polite. If you can’t find a way to peacefully co-exist, consider using the free and confidential mediation services offered by the City of Fort Collins Community Mediation Program, (970) 224-6022 or the Conflict Resolution Services at the Student Resolution Center, 501 W. Lake St., Suite A, Aggie Walnut, (970) 491-7165.

**BE AWARE OF NEIGHBORHOOD:**

**Expectations & City Ordinances**

Be aware of not only the local laws and HOA covenants, but also neighborhood expectations. Each neighborhood has a different feel, so as you get to know your neighbors, ask them about what is expected of each resident.

**Be Aware of Differences**

Age, faith, ethnic background, family status, etc. can drastically affect how one goes about their daily life. Be aware and respectful of differences between you and your neighbors.

**Ask How You Can Help**

Neighborly gestures contribute to a positive and welcoming neighborhood for all! Shoveling snow for your neighbor who may need assistance is a welcome gesture.
Here are some important tips for hosting a responsible party. These tips are not meant to be all-inclusive; always remember when hosting a gathering, you are assuming responsibility for any and all issues that may take place. For more detailed information, stop by the Off-Campus Life office.

Discuss party expectations with your roommates before you host a gathering. Consider: time frame, house rules, number of people, sober host, who will chat with the neighbors, etc.

Notify your neighbors in advance and provide them with the phone number of the sober host.

Designate a sober host to control music volume, access to the party, outside disturbances, and to address any interactions with the neighbors or police. Behaviours of people coming and going (including parking issues) to the party are often most disruptive to neighbors, not the party itself. Make sure the sober host is monitoring the foot traffic to and from the party, and don’t forget to check the backyard.

Think before you post! We strongly advise you not to post your party using social media outlets. Posting your get-together using social media can lead to out-of-control parties, unwanted guests and their unwanted behaviors, and more guests than your gathering can accommodate. Remember, as a party host you are responsible for what happens at, and as a result of, your party, including the actions of others.

Unreasonable Noise/ Nuisance Gathering...Know the Difference: The Unreasonable Noise Ordinance is in effect 24 hours a day and only applies to noise. Nuisance gatherings cover other issues that occur on your property and/or extend past the property line, think foot traffic to and from your gathering, where people are disrupting the neighbors, public urination, leaving trash in yards, trampling bushes, jumping fences and breaking them, etc., or unlawful consumption or possession of alcohol and/or marijuana. The HOST of the party, if found responsible for a nuisance gathering, can be held accountable for the costs associated with these damages on top of the citation fine received. Remember that YOU are responsible for your guests’ actions!

Engaging in a riot can have long term consequences. State Riot Laws provide that anyone convicted of a rioting offense cannot attend any state funded institution for a period of one year - including CSU. Take note: engaging in a riot – or even just being a bystander and watching it – can get you into trouble.

Noise to and from your party: Neighbors typically report that it is the behaviours of people “coming and going” to the party they find most disruptive, not the party itself. Encourage your guests to be quiet and respectful before they come and when they leave as well as when in the front and backyard.

It is illegal to provide alcohol to underage guests. If you’re in doubt of someone’s age, protect yourself and don’t serve.

It is illegal to provide marijuana to underage guests. If you are at least 21, Colorado law permits you to use recreational marijuana within a private residence.

It is illegal to:
- Consume marijuana in public.
- Provide marijuana to people under the age of 21.
- Grow marijuana in apartments or attached residences.
- Drive under the influence of marijuana.

Keep the size reasonable so your party stays in line with the capacity of your residence and to avoid disturbing your neighbors.

Be cooperative towards neighbors, police, and others who come to discuss issues. Don’t make the situation or citation worse. When police arrive, all guests need to leave.

Clean up all trash resulting from your party and follow up with your neighbors the next day. Your neighbors may be more tolerant of your next party if they see that you care about how things went for them and that you are respecting the neighborhood.

Your actions have impact: Make it a positive one. Be a good neighbor both on and off campus. If you are a CSU student, you may be held accountable for your behaviors off campus through the Student Conduct Code.

Get a safe ride: when clearing out your party, help your guest find a safe ride home. Have them download the RamRide app and request their free, safe ride, or encourage them to use Uber or Lyft.

Be proactive by asking for help. If you’re uncomfortable with the size of your party or people will not leave despite your requests, call Fort Collins Police Services’ dispatch non-emergency number (970) 419-FCPD (3273), and ask for assistance in breaking up your party prior to things getting out of control.

You could potentially avoid a $1,000 noise citation by registering your party with OFF-CAMPUS LIFE!
BEING A GOOD PET OWNER

Owning a pet can bring a lot of happiness to a person's life, but it can also create a lot of stress. Like a child, a pet is totally dependent on you financially and otherwise. Make sure you are ready for the responsibilities that accompany pet ownership, such as the requirement of picking up pet waste.

PROPER CARE FOR YOUR PET

Good Nutrition

Just like people, pets require a healthy diet. Poor skin, coat, muscle tone, and obesity can result from poor quality food. Also, pets are not humans, and a diet heavy in table scraps can lead to obesity and pancreatitis.

Exercise

Regular exercise keeps your dog in good condition by maintaining proper body weight. This reduces risks of heart and joint problems, diabetes, and a number of other weight-related issues.

Health Care

Annual examinations and vaccination updates are very important. Remember preventative healthcare is the cheapest kind!

Safety

Make sure the environment you live in is pet-friendly.

TIPS

Receive a Citation?

Did you know, as a CSU student, you may be held accountable for your behaviors off campus through the Student Conduct Code? For more information contact Student Conduct Services at the Student Resolution Center resolutioncenter.colostate.edu.

Additional Fines

Be aware that many property managers and landlords will assess an additional fee if you receive certain citations.

Party Registration

Having a party? CSU students and Fort Collins residents can avoid a noise citation and being a nuisance to their neighbors by registering their party.

- Individuals interested in registering a party can do so with Off-Campus Life Staff Monday-Friday, 9:00 am-5:00 pm. Visit ocl.colostate.edu for more information and to register.
- You can now register your party online at partysmart.colostate.edu. You will still need to register the first party each academic year AND after a warning or citation is given.
- The party host provides their name, address, and two phone numbers.
- Registrants may receive a 20-minute warning from Fort Collins Police Services if there are complaints or concerns about the noise.

- If a second noise complaint is received after the 20-minute period, officers will be sent to the residence to deal with the issue.
- Parties must be registered by the Thursday before the party.

To learn more, visit Off-Campus Life online at ocl.colostate.edu, or visit partysmart.colostate.edu.
CHECK YOUR HOME FOR:

Toxic chemicals
Rodent poison, antifreeze, onions, chocolate, or milk your pet can access.

Secure enclosures
Good fencing, gate closures, etc.

Sharp objects
These might include nails sticking out of the fence or metal landscape borders. If you have metal landscape borders, you can purchase specially designed plastic capping to cover the sharp edge. The capping is much less expensive than a trip to the veterinarian for the cut.

Grooming
Good grooming is more than just the occasional bath. Your pet needs to have regular toenail clippings and teeth cleanings as well.

Maintenance
This refers to some of the more unpleasant aspects of pet care such as yard cleanup, litter box cleaning, cage cleaning, and fish tank maintenance. A clean environment for your pet is a healthy environment. Poor sanitation can lead to behavioral problems, such as litter box avoidance, as well as health problems such as skin infections and the spread of communicable diseases.

License
In order to license your pet, which is required, you need to update their rabies shots.

Pets offer us their unconditional love. In return we should provide them with the proper care and affection they need to live long, happy, healthy lives.

ARE YOU READY FOR A PET?

Y/N Does your property management company or apartment complex allow pets?

Y/N If you have roommates, are they all in agreement about getting a pet? Do any of them have allergies?

Y/N Do you travel a lot? If so, will you be able to bring your pet with you?

How you answer these questions may determine if now is the best time to be considering a pet, or it may be necessary for you to consider a smaller pet that requires less maintenance, such as a fish.

Y/N Do you have at least $1,000 to spend on your pet annually?

Y/N Can you afford the $20-$50 dollars it will cost monthly to feed a pet?

Y/N Are you away from the house for long periods of time during the day?

Y/N Are you willing to spend the time necessary to train your pet?

Y/N If you are considering a dog, do you have a fenced yard or are you willing to dedicate at least a half hour every day to walking your pet?

LEASES
Leases are important when renting; however, they can also be confusing. Student Legal Services can help you understand your lease. If you are a fee-paying student, you have access to lawyers who can help review the lease with you and answer any questions or concerns you may have about the lease. See their website at sls.colostate.edu.

Common things in the lease:
- The amount of rent
- The length of the rental period
- The security deposit amount and return date
- Who is responsible for repairs
- Whether subleasing is allowed, and under what terms
- When a landlord may enter your property

MAKING CONNECTIONS
There are lots of ways to get to know people and make new friends! There are student organizations that help bring students together. To look at these organizations, visit ramlink.colostate.edu.

There are various offices at Colorado State University focusing on different student populations:

- Asian/Pacific American Cultural Center (APACC)
- Black/African American Cultural Center (BAACC)
- El Centro
- Pride Resource Center
- Native American Cultural Center (NACC)
- Women and Gender Advocacy Center
- Adult Learner and Veteran Services
- Office of International Programs
- Fraternity and Sorority Life

IMPORTANT DOCUMENTATION
These documents will help increase the chances of a rental application being accepted by any landlord:

- Visa
- Proof of enrollment at CSU
- Proof of employment letter (assistantship, fellowship)
- Proof of sponsorship (department, etc.)
- Any other documentation demonstrating your continued/extended presence in Fort Collins.

CHAPTER 12: BASIC NEEDS

CONTENTS

• Busting the Stigma
• Food, Housing and Transport Security
At CSU, Rams take care of Rams, and we want you to be able to fully participate in the experience of living and learning in our shared CSU community. We know that college is a significant expense. If you are experiencing systemic barriers that prohibit you from accessing stable and secure food, housing, and transportation, we can help.

**CSU’s Basic Needs Collective**

**Who We Are**

The Basic Needs Collective is a group of Administrative Professionals, Faculty, and Student Staff who collaborate to address basic needs shortfalls impacting students, staff and faculty at CSU. The Collective is led by individuals from the CARE Office, Rams Against Hunger, Off-Campus Life, and Student Case Management.

We envision a campus where no student has to forgo a meal or sacrifice consistent housing in order to obtain their degree. If you or someone you know is struggling with food, housing, or transportation costs, we invite you to contact us.

---

**What Are Basic Needs?**

Students’ basic needs include access to nutritious and sufficient food; safe, secure, and adequate housing—to sleep, to study, to cook, and to maintain personal hygiene; healthcare to promote sustained mental and physical well-being; affordable technology and transportation; resources for personal hygiene; and childcare and related needs.

**Basic needs security** means that there is an ecosystem in place to ensure that students’ basic needs are met.

**Basic needs insecurity (BNI)** is a structural characteristic, not an individual characteristic. It means that there is not an ecosystem in place to ensure that students’ basic needs are met.

---

**Busting the Stigma**

**Someone Else Needs It More Than Me.** While it may be true that someone else also needs housing or food support, YOU deserve it, too!

- The Rams Against Hunger Pantry is funded in part by your student fees. Moreover, we partner with the Food Bank for Larimer County making it easy to keep enough stock on our shelves. When you come in, there is enough food for you AND for those who come in after you!

- SNAP Benefits are a federally funded program. When additional eligible applicants receive benefits, the federal government adds dollars to the overall funding so that you are NOT taking from someone else who applies later. In addition, SNAP adds to the local economy! For every SNAP dollar spent here, $1.70 of revenue is generated for the State of Colorado.
I’m all alone in this situation. NOT TRUE! You are not alone in this... Recent data from the #RealCollege 2021Survey tells us that 29% of college students nation-wide face food insecurity, while 14% have experienced homelessness. Regrettably, numbers at CSU are on par with national averages. We want to remind all students, staff and faculty that we’re in this together! Our community is stronger when everyone has their basic needs met.

Rams Against Hunger

Operating from The Office of Student Leadership, Involvement and Community Engagement (SLiCE), Rams Against Hunger offers a menu of services that support students, faculty and staff experiencing food insecurity. Services include a food pantry, a meal-swipe program, pocket pantries, and in-person assistance with navigating federal aid eligibility. This multi-pronged approach acknowledges the broad scope of the issue and seeks to normalize this difficult conversation for the individuals affected, as well as for the institution as a whole. Our hope in providing these services is to ensure that basic needs need not be overlooked at the expense of a degree. By reducing the stigma around food insecurity and meeting student, staff and faculty needs in a way that affirms dignity, we hope to live out the creed that Rams really do take care of Rams.

To keep up with Rams Against Hunger opportunities and pantry updates, you can follow us on Instagram @csu.ramsagainsthunger

RAH PANTRY:
To help address financial stress and food insecurity among our CSU community, Rams Against Hunger is proud to offer our permanent food pantry on campus. Please find us in the General Services Building at 1251 S. Mason St.

Fall 2022 hours of operation are:
Monday: 3:00 – 6:00 pm
Tuesday: 9:00 am – 12:00 pm
Wednesdays: 3:00 – 6:00 pm
Thursdays: 3:00 – 6:00 pm
Fridays: CLOSED

POCKET PANTRIES:
In partnership with ASCSU, Rams Against Hunger offers a limited selection of grab and go pre-packaged food items to all members of the Ram community at our eight Pocket Pantry locations. (See map)

RAH MEAL SWIPE PROGRAM:
This program allows eligible students to receive 60 meal swipes, which can be utilized at any CSU dining hall over the course of a semester.

Information about eligibility and how to apply for meal swipes can be found at rah.colostate.edu.

Ram Food Recovery:
This program supports CSU students and employees by sending text alerts for food leftover from catered events within Housing & Dining Services. If a catered event has food remaining at the end of the event, catering staff send a text alert to subscribers with date, time, and location of food pick-up. Participants generally have a 30-minute window for food pick-up.

SNAP4Rams - Student Case Management
Students CAN be eligible for SNAP! The Supplemental Nutrition Assistance Program exists to support eligible individuals and families with funds that may be used at your local grocery store. Students are eligible to apply and can receive up to $280(??)/month, loaded onto a discreet and convenient debit card! Contact SNAP4Rams@colostate.edu for more information and to set up an appointment to submit application remotely.

Please visit https://ramfoodrecovery.colostate.edu/ to sign up for texts.
The Government Accountability Office estimates that 57% of students at risk of food insecurity and eligible for SNAP did not collect those benefits (Hope Center, 2019). Why?

**Stigma:** often politically and socially motivated. Food insecurity is a systemic issue, not that of an individual.

**Barriers:** application process, lack of information, transportation

**Eligibility Standards:** changes due to COVID waivers!

Our Land-Grant Mission statement declares that “CSU is proud to offer access and opportunity to anyone with the motivation and ability to earn a degree”. But what does it mean for all of our students to have the opportunity to succeed?

When students do not have their basic needs met, they do not have the capacity to address their academic work or engage fully in the college experience. The result can be a decline in participation, poor academic outcomes, stress, depression, health consequences and potential drop out. If we are to live up to our Land Grant Mission, and make good on our Principles of Community, then Basic Needs security for EVERY member of the CSU community should be a guaranteed starting point. This is the prerequisite for any other success we are to have as an institution of Higher Education.

### RENTAL CHECKLIST

The rental checklist was produced by Off-Campus Life and is intended for use by both renters and landlords. Be sure to inspect the housing unit thoroughly and mark any damages or defects found. Proper inspection before signing a lease can ease the move-out process for all parties involved. After this sheet is filled out completely, have both the tenant(s) and the landlord sign the reverse side and distribute copies to all people involved. Also, make sketches or take pictures (and write the date on them) of the damaged areas and attach to the form.
